When this began
I had nothing to say
And I'd get lost in the nothingness inside of me
I was confused
And I let it all out to find /that I'm
Not the only person with these things in mind
Inside of me
But all the vacancy the words revealed
Is the only real thing that I've got left to feel
Nothing to lose
Just stuck/hollow and alone
And the fault is my own
And the fault is my own
I want to heal
I want to feel
What I thought was never real
I want to let go of the pain I've held so long
[Erase all the pain 'til it's gone] I want to heal
I want to feel
Like I'm close to something real
I want to find something i've wanted all along

Somewhere I belong

And I've got nothing to say

I can't believe I didn't fall right down on my face

I was confused

Looking everywhere/only to find that it's

Not the way I had imagined it all in my mind

So what am I

What do I have but negativity

'Cause I can't justify the

Way everyone is looking at me

Nothing to lose

Nothing to gain/hollow and alone

And the fault is my own

The fault is my own

I will never know

Myself until I do this on my own

And I will never feel

Anything else until my wounds are healed

I will never be

Anything 'til I break away from me

And I will break away

I'll find myself today

I want to heal

I want to feel like I'm

Somewhere I belong
