What do I do to ignore what's behind me?

Do I follow my fate to escape blindly?

Do I hide my pride from these bad dreams

And give in to sad thoughts that are maddening?

Do I let it go and try to stand it?

Or do I try to catch them red-handed?

Do I trust some and get fooled by phoniness

Or do I trust none and live life in loneliness?

Because sunlight burns the skin of sleeping men

I make the right turns but I'm lost within

I put on my daily facade but then

I just end up getting hurt again

By myself (myself)

I ask why, but in my mind

I find I can't rely on myself

I can't hold on

To what I want when I'm stretched so thin

It's all too much to take in

I can't hold on

To anything watching everything spin

With thoughts of failure sinking in

If I

Turn my back I'm defenseless

And to give in to fate seems senseless

If I hide my pride and let it all go on then they'll

Take from me till everything is gone

If I let them go I'll be outdone

But if I try to catch them I'll be outrun

If I'm killed by the questions like a cancer

Then I'll be buried in the silence of the answer

(By myself)

How do you think I've lost so much

I'm so afraid I'm now out of touch

How do you expect I will know what to do

When all I know is what you tell me to

Don't you know

I can't tell you how to make it go

No matter what I do how hard I try

I can't seem to convince myself why

I'm stuck on the outside
