You fell away,  
what more can I say?  
the feelings evolve,  
I won't let it out,  
I can't replace,  
your screaming face,  
feeling the sickness inside

Chorus:

Why won't you die!?  
your blood in mine!  
we'll be fine!  
in your body will be mine!

So many words,  
can't describe my face,  
this feelings evolved  
so soon to break out

I can't relate,  
to a happy state  
feeling the blood run inside

Chorus

Why is everything so fucking hard for me?!

Keep me down to watch you sink, I should

Must you tell me,

Keep on trying I'm not

Repeat
