System...

System...

System...

You fell away

What more can I say

The feeling's evolved

I won't let it out

I can't replace

Your screaming face

Feeling the sickness inside...

CHORUS

Why won't you die

Your blood in mine

We'll be fine

Then your body will be mine

So many words

Can't describe my face

This feeling's evolved

So soon to break out

I can't relate

To a happy state

Feeling the blood run inside...

CHORUS

Why is everything so fucking hard for me

Keep me down to what you think I should pay

Must you tempt me and provoke the ministry

Keep on trying, I'm not done so easily

(I will not die)

Why is everything so fucking hard for me

(I will not die)

Why is everything so fucking hard for me

(I will not die)

CHORUS x2
