I woke up in a dream today  
To the cold of the static  
and put my cold feet on the floor  
Forgot all about yesterday  
Remembering I'm pretending to be where I'm not  
anymore  
A little taste of hypocrisy  
And I'm left in the wake of the mistake  
slow to react  
Even though you're so close to me  
You're still so distant  
And I can't bring you back  
It's true the way I feel  
Was promised by your face  
The sound of your voice  
Painted on my memories  
Even if you're not with me  
I'm with you  
You/ now I see/ keeping everything inside  
You/ Now I see/ Even when I close my eyes  
I hit you and you hit me back

We fall to the floor/ the rest of the day stands still  
Fine line between this and that  
When things go wrong I pretend the past isn't real  
Now I'm trapped in this memory  
And I'm left in the wake of mistake/ slow to react  
Even though you're close to me  
You're still so distant/ and I can't bring you back  
No  
No matter how far we've come  
I can't wait to see tomorrow  
With you
