That's All Right

by James A. Lane

performed by Little Junior Parker

You told me baby

Once upon a time

If I'd be yours

Little girl you'd be mine

But that's all right

I know you loves another man but that's all right

Well now and then I wonder

Who's loving you tonight?

You told me baby

Your love for me was strong

But I woke up this morning

Your big words was gone

But that's all right

I know you loves another man but that's all right

Well now and then I wonder

Who's loving you tonight?

[Harp solo]

When I was lovin you

Just couldn't understand

Now you've gone and left me

For another man

But that's all right

I know you loves another man but that's all right

Well now and then I wonder

Who's loving you tonight?
