The Things That I Used To Do

by Eddie James

performed by Little Junior Parker

The things that I used to do

Lord I won't do no more

The things that I used to do

Tryin to tell you I ain't gonna do no more

I used to sit and hold your hand baby

Cry baby do not go

I used to search all night for you baby

Lord and my search would always end in vain

I used to search all night for you baby

Lord and my search would always end in vain

Well I knew all along darling

that you were hid out with your other man that night

[Harp Solo]

I'm gonna send you back to your mother baby

Lord and I'm going back to my family too

I'm gonna send you back to your mother baby (right now)

Lord and I'm going back to my family too

Cus nothing I do that seems to please you baby

Lord I just can't get along with you
