Ride On"

Ooh, doin' the ride on

Uhh, uhh, doin' the ride on

Put a hump in your back

Shake your sacroiliac

And ride on

Let's take a ride

Ride on

Baby do the ride on

Mama do the ride on

Ride on

(x2)

Doin' the ride on

Ooh, oww doin' the ride on

Ride on

Baby do the ride on

Mama do the ride on

Ride on

(x2)

It ain't what you know, it's what you feel

Don't worry about being right, just be for real

We're gonna do it to the max, when we do it

We're gonna do it, do it good, when we do it

Put a hump in your back

Shake your sacroiliac

And ride on

Let's take a ride

Ride on

Baby do the ride on

Mama do the ride on

Ride on

It ain't what you know, it's what you feel

Don't worry about being right, just be for real

We're gonna do it to the max, when we do it

We're gonna do it, do it good, when we do it

Put a hump in your back

Shake your sacroiliac

And ride on

Let's take a ride

Ride on

Baby do the ride on

Mama do the ride on

Ride on

(x2)
