Rising and falling lighter than air  
Silently calling no one is there  
Oh, bird that is flying so high and  
so free  
Closer to heaven than you and me

Voices of strangers keep me from  
sleep  
Guardian angels watch over the  
deep  
A ship that is sailing way out to  
the sea  
Closer to heaven than you and me

Visions of rain fall out of blue  
skies  
Rivers of tears flow out of dry  
eyes  
Answer my question tell me no  
lies  
Is this the real world or a fool's  
paradise?

Wind that is blowing so wild and  
so free  
Closer to heaven than you and me

Closer to heaven longing to be  
Closer to heaven than you and me

Visions of rain fall out of blue  
skies  
Rivers of tears flow out of dry  
eyes  
Answer my question tell me no  
lies  
Is this the real world or a fool's  
paradise?

Love that lies sleeping wakes in  
the night

Secrets for keeping that won't  
see the light  
I look to the future and I hope it  
will be  
Closer to heaven than you and me

Closer to heaven longing to be  
Closer to heaven than you and me
