JUST what you need to make you feel better
Just what you need to make you feel
Just what you need to make you feel better
Just what you need to make you feel

At the far end of your tether
And your thoughts won't fit together
So you sleep light or whatever
And the night goes on forever
Then your mind change like the weather
You're in need of Doctor Tarr and Professor Fether

Even clouds seem bright and breezy
'Cause the livin' is free and easy
See the rat race in a new way
Like you're wakin' up to a new day
It's a wise thing if you're clever
Take a lead from Doctor Tarr and Professor Fether

Find the end of a rainbow
Fly wherever the winds blow
Laugh at life like a sideshow
Just what you need to make you feel better

Satisfaction altogether
Guaranteed by Doctor Tarr and Professor Fether

Find the end of a rainbow
Fly wherever the winds blow
Laugh at life like a sideshow
Just what you need to make you feel better

Don't stop bringin' the girls round
Don't start havin' a showdown
Keep on handin' the jug round
All that you need is wine and good company
