Lead vocal--Elmer Gantry

Something's wrong in this House today
While the Master was riding the Servants decided to
play
Something's wrong in this House today
Something's been going on there may be a price to
pay.

There's evil brewing, getting out of control
And I'm helpless I can't put it right
Something unrighteous is possessing my soul
And it's cold in the heat of the night

Something's wrong in this House today
While the Sorcerer slept the Apprentice decided to play

While the Master was hiding the Servants decided to
play
Might be too much Sun or too much of something in the
Air
Whatever's happening nobody else is aware

There's evil brewing, getting out of control
And I'm helpless I can't put it right
Something unrighteous is possessing my soul
And it's cold in the heat of the night

Something's wrong in this House today
Something's been going on there may be a price to
pay.
