There are pyramids in my head!  
There's one underneath my bed!  
And my lady's getting cranky.  
Every possible location  
Has a simple explanation  
And it isn't hanky-panky.

I have read, somewhere in a book,  
They improve all your food and your wine.  
It's said that everything you grow in your garden will  
pretty fine,  
Instead, all I ever get is a pain in the neck and a  
Yap yap yap yap yap yap yap yap!

I've consulted all the sages,  
I could find in the yellow pages,  
But there aren't many of them...  
And the mayan panoramas  
On my pyramid pajamas  
Haven't helped my little problem.

I've been told someone in the know  
Can be sure that his luck is as good as gold,  
Money in the bank and you don't even pay for it if you  
fold  
A dollar in the shape of the pyramid that's printed on  
the back.

It's no lie.  
You can keep the edge of a razor as sharp as an  
eagle's eye.  
You can grow a hedge that is vertically straight, over  
ten feet high.  
All you really need is a pyramid and just a little luck.

I have read, somewhere in a book,  
They improve all your food and wine  
And I've been told,  
Someone in the know  
Can be sure of his good luck and it's no lie.  
All you really need is a little bit of pyramidic
