Tell me where Id be if I didnt have you  
if I didnt have shoulder to lean onto  
Tell me where Id be without you here with me  
Oo cant you see I owe it all to you

Tell me where Id be if I didnt have you  
if I didnt have shoulder to lean onto  
Tell me where Id be without you here with me  
Oo cant you see

I couldnt imagine life without you warm imbrace  
and I feel energy from the smell on your face  
I know you got my back,  
no matter what comes up against me  
and when i get weak and feel like giving up ,  
you know just what to say to lift my spirits up  
So ill take this time to thank you  
for believin in me, if no one else,  
I can count on you for to be there for me  
All I need, All I see when I dream of acheiving  
Im reachin up high to the sky and the vision is clear,  
that your right by my side.

Tell me where Id be if I didnt have you  
if I didnt have shoulder to lean onto  
Tell me where Id be without you here with me  
Oo cant you see I owe it all to you

Tell me where Id be if I didnt have you  
if I didnt have shoulder to lean onto  
Tell me where Id be without you here with me  
Oo cant you see I owe it all to you

Without your guidance or your protection,  
whos goin to lead me in the right direction  
and when I cry, Tell me whos goin to wipe away my  
tears  
and on the stormy nights, whos goin to comfort me  
and tell me its gonna be alright

From you I get the motivation to believe in me

because of all the potential that you see in me  
I believe that anything is possible

if no one else,  
I can count on you for to be there for me  
All I need, All I see when I dream of acheiving  
Im reachin up high to the sky and the vision is clear,  
that your right by my side.

( Repeat course, with back round voices until music  
fades )
