17 years of hell and I just can't take it anymore
Its been 17 years of hell and no one has really cared
for me before
All my friends said I would fail or I would end up on the
run
Its been 17 years of hell and now I wanna have some
fun
Because they've given me 17 years 17 years 17 years
of hell
Its been 17 years OF HELL now what am I supposed to
do
Its been 17 years OF HELL but I can't think of anything
new
Now my future seems so bleak theres nowhere I can go
Its been 17 years OF HELL and my life has been going
to slow
Because they've given me 17 years 17 years 17 years
of hell
