What pain is in my heart,  
What pain is in my mind  
What curse laid upon my head:  
Before my birth I was recorded  
in the Book of Dead

But I'm only weapon  
In hand of my dark One  
The seer of Ancient God  
The blind executor of my carm

Home, my temporal shelter,  
My cave where I can hide from cold and rain  
My tower where I was imprisoned  
until the end of condemnation  
My crypt, where I decay, awaiting freedom  
through self-destruction

Still needed for him  
Following my scripted lot  
I was born to kill  
For what? I don't know

So look upon the burning skies  
They proclaim to me decision of the Gods  
I'm doomed to die

So look into my face  
While remains of humankind  
still living in my mind  
While the insanity, a last step of my dying,  
hadn't come...
