Confess what you crave

A life without pain

You'd kill for the taste

But the hurt still remains

Still they don't know who you are

Just be still my emerald

I'll be waiting for you

Do exactly what you're told

I'll be waiting for you

Ashamed by the threats

You pierce the embrace

Afraid and alone

In a dark lonely place

Did you always want to be

Did they try to steal your soul

Did they hurt you with deceit

Can't you come in from the cold

Be still my emerald

I'll be waiting for you
