When you've decided to hold on to all that you've lost

When you've decided to hold on to all that you've lost

All this is nothing if she comes and tears you apart

All this is nothing if you hold the key to her heart

If you've decided to change what you thought was your way

This new way will take you to her and to midsummer day

All this is nothing if she comes and tears you apart

All this is nothing if you hold the key to her heart

And I'm cryin' in the night

And I'm waiting for her call

Won't you help me girl tonight

Cos I'm waitin' for her call

And I'm cryin' in the night

And she's flowing from my mind

And the sky is turning black

And I'm running out of time

You'll shed a last tear

If you miss what you thought was your way

This new way will take you to her and to midsummer day

All this is nothing if she comes and tears you apart

All this is nothing if you hold the key to my heart

All you are...is in you

All you are...is in you

All you are...is in you

All you are...is in you...in you...in you...in you ohhhh
