"Pulse"

I saw a face in the mirror

That made my blood run clear

I think I've waited too long

I went along for the ride

She complicated the slide

I went take her hand

I couldn't feel a pulse

Senseless is pleasure

Nothing's forever

The sooner you see

You can't deny me

I had a dream that within

A celebration of sin

We do a dance with denial

I only wanted a friend

To see the beautiful end

She went to take my hand

She couldn't feel a pulse

Senseless is pleasure

Nothing's forever

The sooner you see

You can't deny me
