Visit "[Samsara](#)" on [MotoLyrics.com](http://MotoLyrics.com)

please would you tell me my friend

which direction is the way

because i'm lost, i'm confused

the reality we choose

is a long, long way from the dream

all you'll feel is pain and suffering

wading through samsara

yes but i've heard that before

from those teachers of dreams

but it's old and it's cold

i just can't feel it in my soul

am i damned to a life of extremes

all you'll feel is pain and suffering

wading through samsara

but i've looked to the east

and i've prayed in the west

what i knw, i've seen

you just couldn't imagine

where i've been

and i feel at this time

i just need to rest

and i'd like us to stay here

i would love us to stay here

would you let me stay here, please
