Driven by restrained desire

I want what I need

Shaking as her sex takes hold

I've lost all control

Temptation

Temptation

Drowning in a sea of rage

I taste the embrace

Helpless as it steals my soul

I've lost all control

Temptation

It never lets me down

Temptation

One foot in the ground

We exist in a world where the fear of illusion is real

And we cling to the past to deny and confuse the ideal

Once inside, we conceive and believe in a god we can't feel

I can't feel it, I can't feel it, I can't feel it

Destined by a fate so cruel

And drugged to delight

I'm Laughing as the lies unfold

I've lost all control

Temptation

It never lets me down

Temptation

One foot in the ground

Temptation

You satisfy my soul

Temptation

I've lost all control
