"Walking Wounded"

Is it safe to look within
And erase all that's been
And all that's been between
Is it gone tell me what went wrong
'cause baby i'm not that strong
And i'm walking wounded
All alone, all alone
Are you comfortable and numb
Did they all succumb to all those lies
Does it satisfy the greed
Is it all you need
Is it all you want
'cause baby i'm not that strong
And I'm walking wounded
All alone
And baby i'm not that strong
And i'm walking wounded a
All alone , all alone
How does it feel
How does it feel
How does it feel

How does it feel
If your memories do stray
Then they betray all that's past
And all that's been between
Is it gone tell me what went wrong
'cause baby i'm not that strong
And i'm walking wounded
All alone,
And baby i'm not that strong
And i'm walking wounded
All alone , all alone
How does it feel
How does it feel
How does it feel
How does it feel
How does it feel
How does it feel
How does it feel
How does it feel
