You can dance, you can jive, having the time of your
life

See that girl, watch that scene

Dig in the Dancing Queen

Friday night, the lights are low

Looking out for some place to go

Where they play the right music, getting in the swing

Here comes the newborn king

Anybody could be that guy

The night is young, the music's high

With a bit of rock music, everything is fine

You're in the mood for a dance

And when you get the chance

You are the Dancing Queen

Young and sweet, only seventeen

Dancing Queen feel the beat from the tambourine

You're a teaser, you turn 'em on

You leave them burning, but then you're gone

Looking out for another, anyone will do

You're in the mood for a dance

And when you get the chance

You are the Dancing Queen

Young and sweet, only seventeen

Dancing queen feel the beat from the tambourine

See uou can dance, you can jive

Having the time of your life

Ah, see that girl, watch that scene

Dig in the Dancing Queen

Dig in the Dancing Queen

Dig in the Dancing Queen

Dig in the Dancing Queen
