

## Vangelis "Farewell"

One more kiss, dear  
One more sigh  
Only this, dear  
It's goodbye  
For our love is such pain  
And such pleasure  
And I'll treasure till I die  
So for now, dear  
Aurevoir, madame

But I'm how-d'ye, not farewell  
For in time we may have a love's glory  
Our love story to tell

Just as every autumn  
Leaves fall from the tree  
Tumble to the ground and die  
So in the springtime  
Like sweet memories  
They will return as will I

Like the sun, dear  
Upon high  
We'll return, dear  
To the sky  
And we'll banish the pain and the sorrow  
Until tomorrow goodbye  
One more kiss, dear  
One more sigh  
Only this, dear  
Is goodbye  
For our love is such passion  
And such pleasure  
And I'll treasure till I die

Like the sun, dear  
Upon high  
We'll return, dear  
To the sky  
And we'll banish the pain and the sorrow  
Until tomorrow goodbye
