One more kiss, dear, one more sigh
Only this dear, is goodbye
For our love is such pain and such pleasure
That I'll treasure till I die

So for now dear, Aurevoir, madame
But I bow dear, not farewell
For in time we may have a love's glory
Our love story to tell

Just as every autumn leaves fall from the tree
Tumble to the ground and die
So in the springtime like sweet memories
They will return as will I

Like the sun dear, upon high
We'll return dear, to the sky
And we'll banish the pain and the sorrow
Until tomorrow, goodbye

One more kiss dear, one more sigh
Only this dear, is goodbye
For our love is such passion, such pleasure
I will treasure until till I die

Like the sun dear, upon high
We'll return dear, to the sky
And we'll banish the pain and the sorrow
Until tomorrow, goodbye
