State of life may I live, may I love  
Coming out the sky, I name me a name  
Coming out silver word "What it is?"  
It is the very nature of the sound the game  
Siamese, Indionese to Tibet treat the life  
As a game, if you please

Coming up carabi this sense of freedom  
Derives from a medative state  
Movin' on, believe that's it, call it magic  
Third world, it is I only guessed it

Shablam idi shablam ida  
Shablam idi shablam ida  
Shablam idi shablam ida

Shot to the soul the flame of Oroladin  
The essence of the word  
The state of independence

Sounds like a signal from you  
Bring me to meet your sound  
And I will bring you to my heart

Love like a signal you call  
Touching my body, my soul  
Bring to me, you to meet me here

Home be the temple of your heart  
Home be the body of your love  
Just like holy water to my lips

Hey, hey, yes I do know how I survive  
Yes I do know why I m alive  
To love to be with you  
Day by, day by, day by day

Hey, hey  
Say aye yaya oh  
Yayah yaya oh  
Be the sound of higher love today

Hey, hey, time, time again, it is said  
We will hear, we will see  
See it all in his wisdom hear  
His truth will abound the land  
This truth will abound the land

This state of independence shall be  
This state of independence shall be  
Time, time again, it is said  
We will hear, we will see

See it all in his wisdom hear  
His truth will abound the land  
This truth will abound the land  
This state of independence shall be

This state of independence shall be  
This state of independence shall be  
This state of independence shall be  
This state of independence shall be  
This state of independence shall be
