"The Look Of Love"

The look of love is in your eyes
A look your heart can't disguise
Be mine tonight, let this be just the start of so many
nights like this
Let's take a lover's vow and then seal it with a kiss

Can hardly wait to hold you, feel my arms around you
How long I have waited
Waited just to love you, now that I have found you

The Look of love,
Was on your face
A look that time can't erase
The look I fussed was saying so much more than
words could ever say
And what my heart have heard, it took my breath away

I can hardly wait to hold you, feel my arms around you
How long I have waited
Waited just to love you, once I thought I've found you

Were did you go
Were di you go
Were did you go...
