lost everything I had inside  
Look at me now  
Tears of sorrow  
This love remains the same  
As a mirror without image  
As a broken heart

All I ever want is  
Catch my own breath  
Don't wanna be a man who cries  
Stop now!  
Memories, suffering, look at me now  
Is this the man you knew?  
Certainties break down

[Chorus:]  
This love remains the same  
As a mirror without image  
These words it cannot change  
As a mirror without a name... Break!

Somebody wants to be a fighter  
Somebody can cry  
I just wanna find myself

[Chorus:]  
This love remains the same  
As a mirror without image  
These words it cannot change  
As a mirror, where you burn again...

...It's you, it's you  
Your love can leave me blind, it's so sweet  
When it takes me high but I feel guilty now... yeah

[Chorus:]  
This love remains the same  
As a mirror without image  
These words it cannot change  
As a story without a name  
But this love divides the same

If you don't wanna leave me alone  
This love remains the same  
Look at me now it's time to rise up!
