(\*Talking\*)

Yo, yo, wassup baby  
At the studio I'm almost finished  
Where you at? alright, I miss you too nigga  
Shit, I'm with K, I'm with KC and shit  
I'll be out there as soon as I get finished with this shit  
Alright, love you, miss you too

[Pastor Troy]

Girl I'm wantin you, everyday I'm missin you  
Visions of me kissin you, goddamn I'm missin you  
I can wait to cuddle up, you already know what's up  
Soon as I jump out my truck, you was gon get gangsta  
fucked  
Cause baby girl I want you, close my eyes and picture  
you  
Thinkin bout some freaky shit, me and my ol' gangsta  
bitch  
Yeah boo I want you, wonder if you want me  
Takin you to ecstasy or whatever your destiny, trust in  
me

[Chorus] - 2x

Girl I want you, everyday I'm missin you  
Visions of me kissin you, goddamn I'm missin you  
Yeah boo I want you, wonder if you wantin me  
Takin you to ecstasy or whatever your destiny, trust in  
me

[Pastor Troy]

Girl I want you, I could see your silhouette  
Tellin me your soakin wet, while we havin phone sex  
Better yet I'm on my way, I'ma do whatever you say  
Where ever you tell me kiss, I'ma spread your legs like  
this  
Cause baby girl I'm wantin you, I can't get that fast  
enough  
What the fuck you done did to me? I can't hit that that's

enough  
Matter fact unlock that do', I'ma be there 'fore you  
know  
Turn on your radio and make sure it's somethin slow

[Chorus] - 2x

[Gangsta Boo]  
I ain't with that nonsense, or that luvy-duvy mess  
I wanna fuck you nice and slow, (?) want some of that  
Georgia dick  
Get you some of this Memphis wet, mussy cause it be  
the best  
Smashin all across the bed, now I'm gonna give you  
head  
Nothin but sex is on my mind, so I'm not gon waste ya  
time  
I'ma let you bang the pussy from the front and from  
behind  
Give it to me Pastor Troy, oh my God I love you boy  
I'ma make you scream my name, doin all kind of freaky  
thangs  
You ain't gonna forget the mystic pleasure that I give to  
you  
Have yo ass lay back on the bed thinkin what have I just  
done to you  
Think about me when you fuck yo bitch, close yo eyes  
and imagine this  
I told you I ain't the type to get involved in long  
relationships  
I just like when you lick between, man I feel like I'm on  
lean  
Now you got me so-so high, I'm glad we on eachother  
team  
Fuck my nigga, fuck yo bitch, mayne we on some other  
shit  
You wonderin, don't wonder mayne I love you and it's  
my dick

[Chorus] - 2x
