Fractured but not broken
Still moving well out in the open
I lower my gun and keep my questions to a minimum
While you run and run around them

Moving Targets
Are so hard to hit
But tonight I've got you in my sights
And I can't miss
Moving Targets
Quick as a shooting star is
But the minute you slow down that's when
I'll let off a round
And I can't miss

Wounded but not through yet
Still determined not to lose it
Such a sorry thing to prove
And it won't save you from the truth

Moving Targets
Are so hard to hit
But tonight I've got you in my sights
And I can't miss
Moving Targets
Quick as a shooting star is
But the minute you slow down that's when my
love let off a round
And I can't miss

You are bound to give me all you have to give
