Whether she be priest or police, the first one on the
scene is a thief
I won't believe a word she says
She won't have your smile.
We can hang for a while, but I know I miss you just the
same

E-rot-ic conversation is no substitute for what you do
Or what I lose when I'm without you
It's easy to hold back temptation.
My night's getting longer, I'm getting stronger and
stronger
Baby don't you worry!

So I returned her gifts, and upset the night's happiness
But it's best... I don't want to lead her on, or give her
the wrong idea
I'd much rather be here, with my tears
Waiting on your return

E-rot-ic conversation is no substitute for what you do
Or what I lose when I'm without you
It's easy to hold back temptation.
My night's getting longer, I'm getting stronger and
stronger
Baby don't you worry!

Girl there's no pressure, I'm happy when we're together
I'll be here waiting for you
I'm in no hurry, girl now don't you worry
I'll be here waiting for you

If she's sweeter than usual, I'll say a po-lite no
Then I'll turn to go home
Satisfy me in everyway, you're a different girl everyday
You suit my tastes, and you're all I need to know

E-rot-ic conversation is no substitute for what you do
Or what I lose when I'm without you
It's easy to hold back temptation.
My night's getting longer, I'm getting stronger and

stronger
Baby don't you worry!

Girl there's no pressure, I'm happy when we're together
I'll be here waiting for you
I'm in no hurry, girl now don't you worry
I'll be here waiting for you
