so i'm not alone!
it's the genesis
and i need something to juxtapose to know what ugly
really is
angel is antithetical of me
and she's benevolence girl
but i'm not her predelection

and if i'm so ugly
that you can't love me
then angel burn forever fly
and if i'm so unclean
that you can't love me
the burn
burn alive
illuminate the night

may i steal your kiss
this insidious devil never did
concede to my request
so i
and i must confess
i did
fore myself inside the womb
and spill the seed of wickedness
and a life was born

and if i'm so ugly
that you can't love me
then angel burn forever fly
and if i'm so unclean
that you can't love me
then angel burn
burn alive
illuminate the night

live a little life you call it
this is just reprieve
falling angel burn so bright
give them all their guiding light
the ashes of the dead are giving life unto the tree

falling angel burn so bright
give them all their dying rite (i love you)

and if i'm so ugly
that you can't love me
then angel burn forever fly
and if i'm so unclean
that you can't love me
then angel burn
burn alive
illuminate the night

so i'm not alone!
