for ever..

for ever young  
why wont you be for ever young  
do really want to live for ever? (for ever, when ever.)

For ever young  
why wont you be for ever young  
do you really want to live for ever?(for ever, when ever)

For ever young  
why wont you be for ever young  
do you really want to live for ever?(for ever, when ever)

For ever young
