Turnaround...

Every now and then I get a little bit lonely,
and you're never coming round...

Turnaround...

Every now and then I get a little bit tired,
of listening to the sound of my tears...

Turnaround...

Every now and then I get a little bit nervous,
that the best of all the years have gone by...

Turnaround...

Every now and then I get a little bit terrified,
and then I see the look in your eyes...

Turnaround, bright eyes

Every now and then I fall apart

Turnaround, bright eyes

Every now and then I fall apart

Turnaround...

Every now and then I get a little bit breathless,
and I dream of something wild...

Turnaround...

Every now and then I get a little bit helpless,
and I'm lying like a child in your arms...

Turnaround...

Every now and then I get a little bit angry,
and I know i've got to get out AND CRY

Turnaround...

Every now and then I get a little bit terrified,
but then I see the look in your eyes...

Turnaround, bright eyes

Every now and then I fall apart

Turnaround, bright eyes

Every now and then I fall apart

And I need you now tonight,

And I need you more than ever,

And if you only hold me tight

We'll be holding on forever,

And we'll only be making it right,

'Cause we'll never be wrong...

Together we can take it to the end of the line

Your love is like a shadow on me all of the time...
I don't know what to do and
I'm always in the dark
We're living in a powder keg
And giving off sparks!!!
I really need you tonight!!
Forever's gonna to start tonight
Forever's gonna to start tonight

Once upon a time I was falling in love
But now I'm only falling apart
There's nothing I can do
A total eclipse of the heart

Once upon a time there was light in my life
But now there's only love in the dark
Nothing I can say
A total eclipse of the heart

Turnaround, bright eyes
Turnaround, bright eyes

Turnaround...
Every now and then I know you'll never be the boy
You always you wanted to be
Turnaround...
Every now and then I know you'll always be the only boy
Who wanted me the way that I am
Turnaround...
Every now and then I know there's no one in the
universe
As magical and wonderous as you
Turnaround
Every now and then I know there's nothing any better
And there's nothing I just wouldn't do
Turnaround, bright eyes
Every now and then I fall apart
Turnaround, bright eyes
Every now and then I fall apart

And I need you now tonight
And I need you more than ever
And if you only hold me tight
We'll be holding on forever
And we'll only be making it right
'Cause we'll never be wrong
Together we can take it to the end of the line
Your love is like a shadow on me all of the time
I don't know what to do
I'm always in the dark
We're living in a powder keg

And giving off sparks
I really need you tonight!
Forever's gonna to start tonight
Forever's gonna to start tonight

Once upon a time I was falling in love
But now I'm only falling apart
Nothing I can do
A total eclipse of the heart

Once upon a time there was light in my life
But now there's only love in the dark
Nothing I can say
A total eclipse of the heart
A total eclipse of the heart
A total eclipse of the heart

...Turnaround bright eyes
...Turnaround bright eyes, turn around..
