She sits alone waiting for suggestions
He's so nervous avoiding all the questions
His lips are dry, her heart is gently pounding
Don't you just know exactly what they're thinking

If you want my body
And you think I'm sexy
Come on sugar let me know
If you really need me
Just reach out and touch me
Come on honey tell me so
Tell me so baby

He's acting shy looking for an answer
Come on honey let's spend the night together
Now hold on a minute before we go much further
Give me a dime so I can phone my mother
They catch a cab to his high rise apartment
At last he can tell her
Exactly what his heart meant

If you want my body
And you think I'm sexy
Come on honey tell me so
If you really need me
Just reach out and touch me
Come on sugar let me know

His heart's beating like a drum
'Cos at last he's got this girl home
Relax baby now we are alone

They wake at dawn 'cuz all
The birds are singing
Two total strangers
But that ain't what they're thinking
Outside it's cold
Misty and it's raining
They got each other
Neither one's complaining
He say's I sorry

But I'm out of milk and coffee
Never mind sugar
We can watch the early movie

If you want my body
And you think I'm sexy
Come on sugar let me know
If you really need me
Just reach out and touch me
Come on honey tell me so

If you really need me
Just reach out and touch me
Come on sugar let me know
If you really, really
Really, really need me
Just let me know
Just reach out and touch me
If you really want me
Just reach out and touch me
Come on sugar let me know
If you really need me
Just reach out and touch me
Come on sugar let me know
If you, if you
If you really need me
Just come on and tell me so
