Dr dr drop it (drop drop drop)

Yo i more slower  
Than my moms ever knows  
Like i tip-toe  
Right out the window  
Like a burglar at night  
I'm out of sight  
So come find me  
'cause ya neve will

I spit rymthes  
That are so ill  
Give me the hook  
So i can look  
Right back so i can kill  
Someone who don't know wut we be  
It hard to be icy when you know  
That it's me

Chorus

So drop that zero  
(drop drop drop)  
Drop that zero  
(drop drop drop)  
Drop that zero  
(drop drop drop)  
Yo drop it like it's hot yo
