YO! It's the green machine -- Gonna rock the town
without bein' seen
Have you ever seen a turtle Get Down? -- Slammin' and
Jammin' to the new swing sound
Yeah, everybody let's move -- Vanilla is here with the
new Jack Groove
Gonna rock, and roll the place -- With the power of the
ninja turtle bass
Iceman, ya know I'm not playin' -- Devistate the show
while the turtles are
Sayin:

Chorus:

Ninja, Ninja, RAP! Ninja, Ninja, RAP! Ninja, Ninja, RAP!
GO GO GO GO
Go Ninja, Go Ninja, GO; Go Ninja, Go ninja, GO!
Go Ninja, Go Ninja. GO; Go Ninja, Go ninja, GO!
GO GO GO GO

Lyrics, fill in the gap -- Drop that bass and get the NINJA
RAP

Just feel it, if you know what I mean -- Give it up for the
heroes in green
Just flowin, smooth with the power -- Kickin' it up, hour
after hour
Cause in this life there's only one winner -- You better
aim straight so you can
Hit the sinner
In it to win it, with a team of four -- Ninja Turtles that
you gotta adore it's
The:

Chorus

Ninja, Ninja, RAP! Ninja, Ninja, RAP! Ninja, Ninja, RAP!
GO GO GO GO
Go Ninja, Go Ninja, GO; Go Ninja, Go ninja, GO!
Go Ninja, Go Ninja. GO; Go Ninja, Go ninja, GO!
GO GO GO GO

Villians, you better run and hide -- Because one day
you might not slide

So choose your weapon don't slip --
Vanilla's in control with the flex of a mic grip
Rockin' the crowd the way it should be rocked --
With the Miami drop that you like alot
You know it's hittin like a Ninja Turtle, when the bass
kicks in --
You better check your level
The power of the Ninja is strong -- Fightin' off crooks
until they're all cold gone

Chorus

Ninja, Ninja, RAP! Ninja, Ninja, RAP! Ninja, Ninja, RAP!
GO GO GO GO
Go Ninja, Go Ninja, GO; Go Ninja, Go ninja, GO!
Go Ninja, Go Ninja. GO; Go Ninja, Go ninja, GO!
GO GO GO GO

Ice Ice Ice

Chorus

Ninja, Ninja, RAP! Ninja, Ninja, RAP! Ninja, Ninja, RAP!
GO GO GO GO
Go Ninja, Go Ninja, GO; Go Ninja, Go ninja, GO!
Go Ninja, Go Ninja, GO; Go Ninja, Go ninja, GO!
GO GO GO GO

Out with the gladiator, baby
