The look of love is in your eyes  
A look your heart can't disguise  
Be mine tonight, let this be just the start of so many  
nights like this  
Let's take a lover's vow and then seal it with a kiss

Can hardly wait to hold you, feel my arms around you  
How long I have waited  
Waited just to love you, now that I have found you

The Look of love,  
Was on your face  
A look that time can't erase  
The look I fussed was saying so much more than  
words could ever say  
And what my heart have heard, it took my breath away

I can hardly wait to hold you, feel my arms around you  
How long I have waited  
Waited just to love you, once I tough I've found you

Were did you go  
Were di you go  
Were did you go...
