

# Vanilla Ice "... Forever"

Visit "[... Forever](#)" on [MotoLyrics.com](https://MotoLyrics.com)

(performed by d'new featuring temple)

It seemed so nice  
From the start  
Our hearts could not be torn apart  
We'd be together  
But only diamonds last forever

Jealous was my lover  
Told me that there was no other

Music and lyrics by chris cuben-tatum  
Produced by chris cuben-tatum  
For ceoncept enterprises international  
Saxophone by d'new
