(performed by lonnie gordon)

You know I'm leavin' this time anyway
So please don't stand in my way
I'm alright, just leavin' the past far behind
Your love, your feelin' kind
I don't like believin' so out lonely and round you go
I'd keep on runnin' and runnin' to you
You need somebody for lovin' and lovin' now
Till the end.
With your love my heart'd feel so fine anywhere
I found myself so deep inside
Gotta hold and try to feel alright anyway,
Just think about you're makin' love,

I'm gonna catch you baby....

You know I'll be this time on my way
So please don't ask me to stay,
I will try to forget every face left behind
When love is by my side
I don't like believin', so out and lonely and round I'll go
I'll keep on runnin' and runnin' to you
You need somebody for lovin' and lovin' and lovin' now
Till the end.
With your love someone would be in love anyway
Realize he's just dreamin' inside
Gotta hold an dtry to feel alright anyway,
When I turned you were turning aside

I'm gonna catch you baby....
