MIXED-UP, SHOOK-UP GIRL
Patty & The Emblems

Emblems: She's a mixed-up shook-up girl yes she is
She's a mixed-up shook-up girl yes she is

Patty: Am I crying because I'm happy
Or am I crying because I'm blue without you
My heart has blown away
Now you've gone and goen (sic) away
I'm a mixed-up shook-up girl over you
Am I crying because you left me
Or am I crying because I don't know what to do
One day you said you'd never part
Am I sad or am I glad
I'm a mixed-up shook-up girl over you

INSTRUMENTAL INTERLUDE

Patty: One day you said you'd never part
Am I sad or am I glad
I'm a mixed-up shook-up girl over you
Oh yeah I'm a mixed-up shook-up girl over you
Yeah I'm a mixed-up shook-up girl over you...
