You had me from the start
Although you never
Loved me with your heart
Vanilla i've come to understand
The fact that you just
Love me as a friend
Ninja
Hear the voices in my mind
Still I'm messing with my heart
Battlefield until I'm going crazy
And now I know

Got stuck on a battlefield
Songtexte (go on) back off (o-oh)
It's not real
My mind is a fighter's shield
Songtext but I'm not made of steel

Got stuck on a battlefield
Lyrics (it's right) so wrong (o-oh)
And it feels like poison
Lyric still I'm standing tall
Still I'm standing tall

Illusionary dreams
Liedertexte pass through my veins and
Suggest your feelings might change
But your kisses never last
Liedertext we have no future
And barely had a past

Every single time we touch
Alle feel I need you way too much
Until I'm going crazy
Vanilla and now I know

Got stuck on a battlefield
(go on) back off (o-oh)
Ninja it's not real
My mind is a fighter's shield
Battlefield but I'm not made of steel

Got stuck on a battlefield
Songtexte (it's right) so wrong (o-oh)
And it feels like poison
Songtext still I'm standing tall
