You can see the shadows in my daydream
You won't feel the turture in my mind
Baby you don't realize
I'm lost in scray thoughts
At night - when I feel blind

Cos you never ever gotta know my love
All I hide inside
What is creeping to my soul
What is trying to take control
baby it's true you
Never ever gotta go that far
You can find a key to the secrets of my heart
All you gotta know is I
Got to get Ya!!!!

See me as an angel you could fall for
See me as a virgin you could try
Baby just imagine
I'm a wild thing you could tame
Feel fine - living with lies

Cos you never ever gotta know my love
All I hide inside
What is creeping to my soul
What is trying to take control
Baby it's true you
Never ever gotta go that far
You can find a key to the secrets of my heart
All you gotta know is I
Got to get Ya!!!!

Cos you never ever gotta gotta know

Cos you never ever gotta know my love
All I hide inside
What is creeping to my soul
What is trying to take control
baby it's true you
Never ever gotta go that far
You can find a key to the secrets of my heart

All you gotta know is I
Got to get Ya!!!!
