

Vanilla Ninja "Silence"

Visit "[Silence](#)" on MotoLyrics.com

In this room of silence
I'm hanging on a string
Leave the past behind me
I can fly with broken wings

My heart is suffering
Can't wait for my rescue
I know that someone out there
Is lonely, too

I don't wanna be all alone
For love I'll always fight
I don't want to be left alone
I will find the shore, the place, the time
All alone
Help me find a way
I don't want to be left alone anymore

Is there no one listening?
Can no one hear my plea?
Sew a dress of memories
Is there no one meant for me?

Through the deepest oceans
Let us find a coast to seek
I know that someone out there
Is searching like me

I don't want be all alone
For love I'll always fight
I don't want to be left alone
I will find the shore, the place, the time
All alone
Help me find a way
I don't want to be left alone anymore

Let the wind guide us
Until we find tranquillity
Why don't you find me?
Please come and find me

I don't want be all alone

For love I'll always fight
I don't want to be left alone
I will find the shore, the place, the time
All alone
Help me find a way
I don't want to be left alone anymore
