He could feel the secrets she was hiding deep inside
Tell me of the nightmares you have to fight
Rain of ice was falling through the black clouds in her
eyes
Demons on my mind you can't exorcise
Chorus:

It's the coldest night when I will wake you
If you follow me I'll take you
To the weird obsessions in my soul
It's the coldest night wehn I will let you
Look inside my hell so that you
Feel the pain that no one can console
He~y!
It's the coldest night
If you ask a liar he will leave the truth behind
Looking into fire can make you blind
Tortured by the unknown, couldn't love her anymore
And he heard her cry just as he closed the door
Chorus
It's the coldest night
Chorus
It's the coldest night
He~y!
Rain of ice was falling...
Hou~h...
