I don't like her

Well at first, I noticed
All the things you would do now
Were the things I wanted
But you said you didn't know how
Take a break from workin'
Oh, was that too much to ask?
What I've worked hard for years
She had in a flash

Now she
Gets the best of you
While the rest of you
Is left back with me
She don't have a clue
Just what to do with you

I don't like her!
I'm a hater!
You're in love
I'm alone
It's not fair!
She gets the good guy
I got the player
So I don't like her
I'm a hater
I'm a hater
I'm a hater

Oh, is that my bracelet?
That she's wearing on her wrist
The one I wanted?
Maybe I just wasn't worth it
Didn't I give you love?
So what does she do different?

Now she
Gets the best of you
While the rest of you
Is left back with me

She don't have a clue
Just what to do with you

I don't like her!
I'm a hater!
You're in love
I'm alone
It's not fair!
She gets the good guy
And I got the player
So I don't like her
I'm a hater
I'm a hater
I'm a hater

Didn't I give you love?
So what does she do different?

Now she
Gets the best of you
While the rest of you
Is left back with me
She don't have a clue
Just what to do with you

I don't like her!
I'm a hater!
You're in love
I'm alone
It's not fair!
She gets the good guy
And I got the player
So I don't like her
I'm a hater
I'm a hater
I'm a hater
