I'm not tryin' to have a baby baby
So keep those pants-pants-pants on, lady
I'm not tryin' to have a baby baby
So calm-calm-calm down, lady

I know that you want a piece of me
And I-I want all of you
But I've got so many things to do
I've got so many things to do
I'm much too young to have a child of my own
I don't have the money to give it a home
I'm much too young to have a child of my own
I don't have the money to give it a home

I'm not tryin' to have a baby baby
So keep those pants-pants-pants on, lady
I'm not tryin' to have a baby baby
So calm-calm-calm down, lady

I've got plans and I've got plans, yeah
I've got plans and I plan on keepin' them
I've got plans and I've got plans, yeah
I've got plans and I plan on keepin' them
I've got plans and I've got plans, yeah
I've got plans and I plan on keepin' them

I'm not tryin' to have a baby baby
So keep those pants-pants-pants on, lady
I'm not tryin' to have a baby baby
So calm-calm-calm down, lady

Oh baby baby
Ba-baby baby
Oh baby baby
Ba-baby baby
