There's something about you I just can't resist
It's not your body and it's not you're kiss
You smell so good
You smell so good

You smell better than the morning rain
Like flowers and bunnies and everything
You smell so good
You smell so good
...You know it

You smell so good
You smell so good
You smell so good
Oh yes, you do

You smell so good
You smell so good
You smell so good
Like everyone should

It's too bad that you came and went
My nose will never forget that scent
You smell so good
You smell so good

Could you walk back in?
Please, please, please
The smell of you makes me weak in the knees
You smell so good
You smell so good
...Yes, you do

You smell so good
You smell so good
You smell so good
Oh yes, you do

You smell so good
You smell so good
You smell so good

Like everyone should

I could lie forever with you
Just holdin' you and smellin' you
There's nothing else I rather do
Than to lay here all day and smell you

You smell so good
You smell so good
You smell so good
Oh yes, you do

You smell so good
You smell so good
You smell so good, baby
Like everyone should
