Please allow me to re-introduce myself
I'm Superfun Yeah Yeah Rocketship
And I got the skills to rock this bitch
The most amazing thing that you've ever seen
I play some keyboard and a drum machine
I know you don't see 'em but you gotta understand
I don't play shit loud 'cause I'm a one man band
So stand up straight and let me blow your mind
I'm not ahead of my time, you're just falling behind
If you still don't like me, I'm awfully sorry
There's nothing you can do, so don't be angry
You can throw a fit, I don't give a shit
I'm a rocketship and I'ma rock this bitch
