Have you ever been told that you're a beautiful girl  
The most beautiful girl I've ever seen in the whole  
world  
And I can't believe that you're so stunning  
And you're everything that I have been wanting  
You make my legs shake, you make my mouth water  
And I don't think that I've ever seen anyone any hotter  
You make my legs shake, you make my mouth water  
But I'm not really sure if should even bother

We're all touchy feely  
I really, really need this  
We're all touchy feely  
I really, really need this  
We're all touchy feely  
I really, really need this  
We're all touchy feely  
I really, really need this

Please, don't stop  
Please, don't quit  
I'll do anything, baby, to kiss those lips  
Please don't quit  
Please don't stop  
I know I'll never have enough

You walk into the room and all time freezes  
Everybody says they just can't believe it  
You're drop dead gorgeous  
You know you're amazing  
One look at you could drive any man crazy  
You have hips that could milk the room  
And you have eyes that hypnotize the moon  
The smell of your hair makes me lose concentration  
Our bodies meet and their set on destruction

We're all touchy feely  
I really, really need this  
We're all touchy feely  
I really, really need this  
We're all touchy feely

I really, really need this  
We're all touchy feely  
I really, really need this

Please, don't stop  
Please, don't quit  
I'll do anything, baby, to kiss those lips  
Please don't quit  
Please don't stop  
I know I'll never have enough

Please, don't stop  
Please, don't quit  
I'll do anything, baby, to kiss those lips  
Please don't quit  
Please don't stop  
I know I'll never have enough of you...
