Alright EZ Elpee session, artist Mike Zoot

Label Guesswhyld

soft ad lib for 10 seconds

Yo, up in my mixed drink session, heaven got a ghetto

In orange and tango, eyes red low and mellow

My squint look Tokyo, movin ill slow

My toned rebel, accented like Rachel, voice nasal

Now fix my levels, adjust me two notches, mic's to
cable

Produce new paradise through poetics, slum fables

Turnin the bump tables, access a new address

In the rap race runnin the fastest, you'll never catch us

So when I pass the test, pass the rest, I'm passin out
pamphlets

with my face on the front, drink or chase with the blunt

Spoken proverb, the new word, observin you herds

You just an ass, ??? ??? ??? sparked in the corner, I kick
the kerb

The condominium in the next millennium

for my kids' kids' kids and then multiplied to the max,
no minimum livin

Caribbean tints, strokin my wall, woman and ism

New comer, young jungalist on the rhythm with a vision

I'm trippin, still for kickin and spittin

[Chorus]

So we can - EAT GOOD

Drinkin - SMOKE GOOD

Burnin - BLACK TREES

Wrapped in - BLACK WOOLS

QUARTO'S (Quarto's), HOLD YA NOSE

Freshed dippin - IN NEW CLOTHES

So now we live - HOW WE SUPPOSE AND IT GOES

Yo pour some liquors on the ground for my niggas not
around

And hit the whole cup, straight down, Absolut and
Crown

Order another round, I'm clownin wild for the evenin

Good greetins, I bring it with lye and etcete-rah

The down-the-block, better than Best Buy, come check I
for the hook up, ring the bell then look up for the what's
up
I puts up, stacks in all columns
Operatin from the bottom, Bed-Stuy Brooklyn wit mad
problems
Bringin ???? out their ears and kick a freestyle for pay
New Gz, different peer, different year for each day
Stayin decent, special gear drycleanin
Floss and mean it, I seened it like a dream in doin
cheebas
Only that much, drinkin so on and such
Thinkin with a Dutch, headrush and touch cuts
Bust nuts in different countries and I only been there
once
but I'm going back next month and yo you need to
come with me
I'm gonna take us

[Chorus]

So we can - EAT GOOD
Drinkin - SMOKE GOOD
Burnin - BLACK TREES
Wrapped in - BLACK WOOLS
QUARTO'S (Quarto's), HOLD YA NOSE
Freshed dippin - IN NEW CLOTHES
Now we live - HOW WE SUPPOSE AND IT GOES, EAT
GOOD

Catch me creepin through the fog, deep in through the
smog
It's the number one nigga in your hood with no job
Who schooled you, just that, all rappers ackin
Hollywood
Spittin flames on the game they call me Zoot Eastwood
North face with the hood, Ma your son done good
But add the injury to the insult, second year same coat
Lighter note different stroke, I been been broke
For the gas we go, never no outlaw so I move this boat
The wholesale rap grail, feel what I see
See my dot dot dash men, the basement bash men
Keepin no attachments, just eat, run and tell
all about the smell of new money back from hell
Here the highway, heaven is, just got paid
on Friday, leanin sideway, my high don't stay
Til I fill up my dinner tray, with meals ridiculous
The ticket, yo yo, this is it for written and kickin shit
Cheese and chicken shit, lickers and bigger spliffs
Excuse me Miss, hit this, I shoot, give generous
Straight faced serious, drivin you delirious
Live in stereo so you can hear it, ya hear it?

[Chorus]

So we could - EAT GOOD
Drinkin - SMOKE GOOD
Burnin - BLACK TREES
Wrapped in - BLACK WOOLS
QUARTO'S (Quarto's), HOLD YA NOSE
Freshed dippin - IN NEW CLOTHES
And how we live? - HOW WE SUPPOSE

And it goes - EAT GOOD
Drinkin - SMOKE GOOD
Burnin - BLACK TREES
Wrapped in - BLACK WOOLS
QUARTO'S (Quarto's), HOLD YA NOSE
Freshed dippin - IN NEW CLOTHES
And how we live? - HOW WE SUPPOSE
repeat to fade
